Phone		
Student ID		

Name of model		Building model
Description of model		
Model means	Scaled building model of wood or 3D digital, including drawings, photographs and report of the model making, created in the course of your study during your enrolment as a student at the university	

You agree that:

(a) the University of Melbourne may in its discretion use; copy; make available in an on-line environment; distribute; transmit; display your model for the purposes of:

- i. academic, teaching and research activities in Australia or abroad;
- ii. promotion and marketing of course/subjects in Australia or aboard.

(b) the university may use your name provided in connection with the model.

(c) the university will credit you as the creator of the model and will not alter it in a manner that affects the integrity of your work.

(d) You retain title and interest in the Intellectual Property, including but not limited to copyright that subsists in the model but grant the University a non-exclusive, worldwide, irrevocable, perpetual licence to use your model for education, teaching and research purposes and activities set out in paragraph (a).

(e) You are not entitled to any fees or other compensation in return for use of your model as permitted by this Consent.

(f) You warrant that:

- i. the model is yours and is not subject to any restrictions that would prevent the University from its use as set out in accordance with this Consent; and
- ii. No third party's Intellectual Property Rights will be infringed by any use of Your model as set out in this Consent.

(g) This consent will continue until it is revoked through written notification (this can be done in writing to the Person signing on behalf of the Subject/School as listed below or to the Copyright Office.
